

MONTANA CANCER CONTROL COALITION

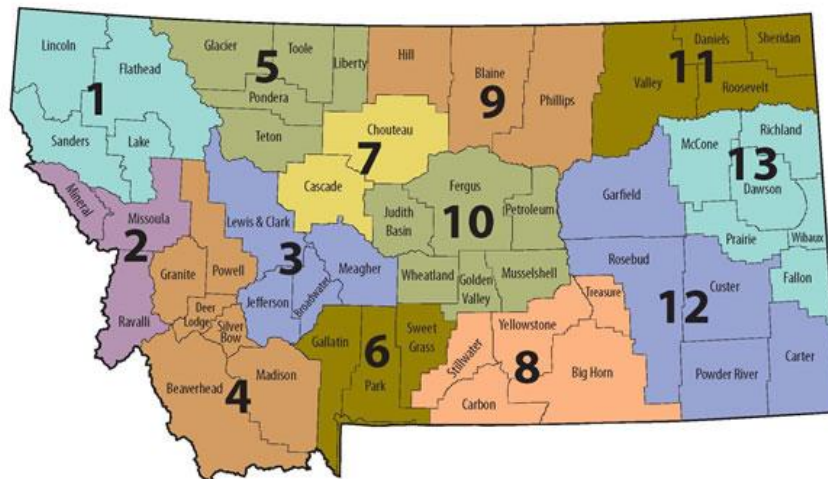

Working together...

Montana Cancer Control Program Regional Coordinators

Did you know there are Cancer Control Specialists in your region?

The Montana Cancer Control Program contracts with 13 Regional Coordinators across Montana to work in their respective communities. Regional Coordinators address all topics along the cancer control continuum, from prevention and early detection to quality of life and survivorship.

COMPREHENSIVE CANCER CONTROL PROGRAMS

You can participate in cancer control efforts in your area!

Contact your Regional Coordinator to:

- Learn about regional coalitions and how to join (Anyone interested in cancer control issues is welcome to participate)
- Learn about regional education activities
- Learn more about their projects working to increase colorectal cancer screening

To find Regional Coordinator contact information visit:
